PROFESSIONAL SUMMARY

Results-driven Performance Marketing Executive with 1.5+ years of progressive hands-on experience in planning, executing, and optimizing high-impact paid media campaigns across Meta Ads, Google Ads, Quick Commerce, and E-commerce marketplaces. Proven expertise in audience targeting, media buying, campaign scaling, conversion tracking, and ROAS optimization — with a track record of managing advertising budgets exceeding ₹15,00,000+ across D2C, service-based, real estate, and marketplace brands. Skilled in translating business objectives into data-backed digital advertising strategies that drive measurable growth. Adept at media planning, brand positioning, creative briefing, UTM tracking, and performance analytics. Seeking to leverage expertise in performance marketing, media planning & buying, and digital brand strategy to deliver ROI-focused outcomes for growth-stage and established brands.

CORE COMPETENCIES

PROFESSIONAL EXPERIENCE

Performance Marketing Executive | ITD Growth Labs | May 2026 – Present

- Plan, launch, and optimize paid advertising campaigns across Meta Ads and Google Ads with a focus on maximizing conversions, minimizing CPL, and achieving target ROAS for lead generation and brand growth mandates.
- Develop and execute conversion-focused media strategies encompassing audience segmentation, creative testing, and funnel-specific campaign structuring across awareness, consideration, and conversion objectives.
- Monitor and analyze campaign KPIs including CTR, CPC, CPL, CPA, and ROAS on a daily basis; identify underperformance trends and execute data-driven optimizations to improve campaign efficiency.
- Collaborate cross-functionally with creative and strategy teams to develop high-performing ad creatives, refine messaging, and align campaign assets with brand communication objectives.
- Implement UTM tracking frameworks and conversion tracking setups to ensure accurate performance attribution across all active campaigns and channels.

Jr. Performance Marketing Executive | Mobligent Media | Mar 2025 – Apr 2026

- Promoted to full-time performance marketing role following consistent high performance during internship, managing an expanded portfolio of D2C and E-commerce brand campaigns across Meta, Google, Quick Commerce, and Marketplace platforms.
- Independently planned, executed, and optimized paid media campaigns for multiple brand clients — driving measurable improvements in ROAS, conversion rates, and overall campaign profitability.
- Managed advertising budgets totalling ₹12,00,000+ across platforms, applying strategic budget allocation and real-time pacing adjustments to maximize media efficiency and minimize waste.

- Executed end-to-end Quick Commerce advertising campaigns on Zepto Ads, Blinkit Ads, and Instamart Ads to drive product visibility and sales uplift for FMCG and D2C brands.
- Built and optimized Amazon Ads and Flipkart Ads campaigns including Sponsored Products, Sponsored Brands, and Sponsored Display formats to improve marketplace visibility and organic rank.
- Designed and maintained weekly and monthly performance dashboards using Advanced Excel and Pivot Tables; delivered clear, actionable insights and campaign reports to clients and internal stakeholders.
- Conducted A/B testing on ad creatives, audience segments, bidding strategies, and landing page combinations to continuously improve campaign performance metrics.
- Coordinated with the creative team to provide structured ad creative briefs based on performance data, audience insights, and platform-specific best practices.

Digital Marketing Intern | Mobligent Media | Oct 2024 – Mar 2025

- Assisted senior performance marketers in planning and executing paid media campaigns across Meta Ads and Google Ads, gaining hands-on experience in campaign setup, audience targeting, and creative deployment.
- Conducted in-depth audience research and competitor analysis to inform targeting strategies, ad copy directions, and campaign positioning for D2C and service-based brand clients.
- Supported social media management and content strategy activities including content calendar planning, post scheduling, and platform-specific content optimization across Instagram, Facebook, and LinkedIn.
- Analysed campaign performance metrics — CTR, CPC, CPM, CPA — and compiled daily and weekly performance reports to support optimization decision-making.
- Contributed to UTM tracking setup and performance monitoring activities, developing foundational skills in digital analytics and conversion attribution methodologies.

Freelance Digital Marketing Executive | Rishaan Media & Brand Buddies Media Pvt. Ltd. | Aug 2024 – Jan 2025

- Independently managed end-to-end digital marketing campaigns for multiple brands across service, real estate, and lifestyle verticals — encompassing social media strategy, content creation, and paid media execution.
- Designed brand-aligned performance creatives and marketing collaterals using Canva; developed visual communication frameworks tailored to each brand's positioning and campaign objectives.
- Created and managed social media content calendars, executing consistent multi-platform content strategies that improved brand engagement and community growth.
- Delivered performance reporting and campaign insights to brand owners, contributing to campaign refinement and ongoing strategy improvement.

KEY ACHIEVEMENTS

- Managed total advertising budgets of ₹15,00,000+ across Meta, Google, Quick Commerce, and Marketplace platforms, consistently delivering campaigns within budget with optimized ROAS.
- Operated across 7+ advertising platforms simultaneously — Meta Ads, Google Ads, Amazon Ads, Flipkart Ads, Zepto Ads, Blinkit Ads, and Instamart Ads — demonstrating strong cross-platform media buying capability.
- Successfully managed performance campaigns for D2C, real estate, and service-based brand clients, driving measurable improvements in conversions, lead quality, and ROAS.
- Promoted from Digital Marketing Intern to Jr. Performance Marketing Executive within 6 months based on demonstrated campaign performance and analytical capabilities.
- Built structured performance dashboards using Advanced Excel that reduced reporting time and improved data visibility for client campaign reviews.
- Executed Quick Commerce advertising campaigns on Zepto, Blinkit, and Instamart — contributing to brand sales uplift and improved share-of-shelf visibility.
